

THEN SUDDENLY, OTHER TENTACLE-LIKE VINES APPEAR...

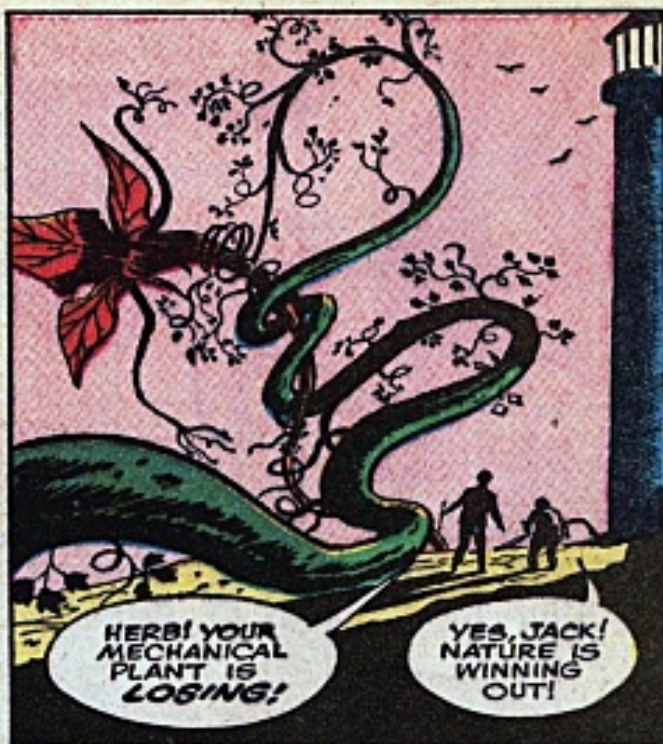

WH-WHAT'S
HAPPENING
NOW!

FANTASTIC! MOTHER
NATURE HAS TAKEN A
HAND IN MATTERS! THE
PYTHON VINE HAS
RUN BERSERK! ANOTHER
PLANT IS ITS NATURAL
ENEMY-- AND IT SENSED
THIS THING NEARBY--
AND STRUCK!

IT'S ALL
OVER!

AND I'D HATE TO
THINK OF WHAT AN
ARMY OF SUCH
PLANTS WOULD
DO TO MANKIND!

HERB! YOUR
MECHANICAL
PLANT IS
LOSING!

YES, JACK!
NATURE IS
WINNING
OUT!

LATER--MUCH LATER...

IT ONLY PROVES
THAT INVENTIONS
--MERELY BECAUSE
THEY'RE INVENTIONS
--AREN'T ALWAYS
GOOD, HERB...

NOW THAT YOU'VE RID YOURSELF
OF THOSE CONFOUNDED MECHANICAL
PLANTS, WHAT DO YOU INTEND TO
DO NEXT?

THIS-- JUST THIS!
USE REAL PLANTS--
AND WATER THEM!
YEP, JACK-- KEEP
WATERING THEM...

BUT BE CAREFUL, HERB! NOT TOO MUCH
WATER! YOU SAW WHAT TOO MUCH
RADIATION DID!

THE
END
