

OF COURSE, IT DIDN'T QUITE  
END THERE. AMONG THE  
FEW ITEMS SALVAGED FROM  
THE EXPLOSION -- WAS A BAG  
OF THE CADMUS SEED...

I COULDN'T HELP GETTING  
CURIOUS. I TOOK THE SACK  
TO A RESEARCH LAB WHICH HAD  
AN ELECTRON MICROSCOPE...

IT SEEMS THAT  
DOCTOR GOOGER  
WENT A BIT  
FURTHER IN HIS  
LATER WORK--

TAKE A  
LOOK FOR  
YOURSELF!

I WAS STUNNED.--GOOGER  
NEEDED HUMAN BODY CELLS FOR  
HIS EXPERIMENTS --SO HE'D  
USED HIS OWN!

WHAT DO  
YOU DO  
WITH A FEW  
MILLION  
GOOGER'S?  
I DON'T  
KNOW.  
I'M NOT  
GOING TO  
GROW  
ANY OF  
THEM!  
I THINK  
ONE  
HORACE  
GOOGER  
IN THIS  
AGE  
WAS  
ENOUGH!  
*The  
END.*
